

The Government College for Women is turning stones with each new session. In the session 2022-23 the college successfully conducted 2 workshops in the Department of Geography and English. Here are the reports of the both workshops.

1. Workshop: Understanding Literature and Research Methodology

Date: 18-19 April 2023

Venue: Govt College For Women, Narnaul. (Seminar Hall)

Introduction:

The two-days workshop, organized by the Department of English, held at G.C.W, Narnaul, was an insightful event. It focused on the presentation of research papers by esteemed faculty members. The event aimed to foster intellectual exchange, promote academic collaboration and scholarly endeavours of our esteemed faculty.

Day 1 - (18 April 2023)

The first day of the workshop commenced with an inaugural address by HOD, English; Associate Professor Dr. R.P. Singh, emphasizing the importance of academic exchange and research dissemination. Following the inaugural session, Dr. R.P. Singh welcomed the Principal, Prof. Gian Chand and invited him on the dais to address the audience. After an effective speech by our worthy principal, the workshop transitioned into the presentation sessions.

Session 1: Critical Theories: An Overview

The first session was started by the paper presentation related to 'Critical Theories and a Detailed overview of Criticism' by Dr. Munesh Yadav. Our faculty member, Smt. Suman Devi read her paper on 'Structuralism'. After a short break third paper on 'Poststructuralism' and 'Feminism' was presented by Dr. Neelam. In continuing the chain Smt. Radhika read her paper on 'Psychoanalytic Criticism' and with her presentation first day session was over.

Session 2: The second day of the workshop commenced with renewed enthusiasm. The session continued with a range of thought-provoking presentations. The second session also focused on other critical theories, viz Dr. Poonam brought her paper on 'Historicism and New Historicism' shedding light on

Textual history and historicity of text, Dr. Jyoti focused on 'Cultural Studies', Dr. Preeti Kumari presented her paper on 'Ecofeminism'. After that Dr. Sharmila, who was also in the role of stage coordinator presented her paper on 'Linguistics'. In this series Sh. Ajay Thakan presented his paper on 'New Criticism'. Sh. Sunil Kumar, assistant professor of History also presented his paper on 'Subaltern Studies'. Finally Head of the Department of English department read a detailed paper on 'Research Methodology'.

Conclusion:

The workshop provided a platform for our esteemed faculty members to showcase their scholarly achievements and engaged in fruitful academic discussions. Other faculty members of varied departments also participated and get benefited by this scholarly endeavor.

Acknowledgments: Dr. R.P. Singh extended his heartfelt gratitude to all the faculty members who contributed to the success of this workshop, both as presenters and attendees. He expressed special thanks to colleagues who attended this workshop effectively and made this event successful. A special thanks to our Principal whom gracious presence gave new heights to this workshop.

Recommendations:

Based on the success of this workshop, it is recommended that similar events be organized in the future to continue a culture of academic exchange and research dissemination within our institution.

Overall, the two-day workshop was a resounding success, serving as a testament to the academic prowess and collaborative spirit of the faculty members. We look forward to more such enriching events in the future.

2. Workshop Report: Geo-Informatics Technology Applications and Career Opportunities

Date: April 10, 2023

Venue: Government Women's College, Narnaul

Introduction:

On April 10, 2023, the Government Women's College in Narnaul conducted a highly informative and beneficial workshop on the subject of "Geo-Informatics Technology Applications and Career Opportunities." The workshop aimed to empower geography students with practical knowledge and insights into the world of Geo-Informatics.

Inauguration:

The workshop began with a formal inauguration ceremony graced by the presence of the College's Executive Principal, Dr. R.P. Singh, and Dr. Yashpal. The presence of these esteemed individuals underscored the significance of the event.

Content and Highlights:

The workshop coordinator, Mrs. Anju Rani, introduced the workshop's primary focus on Quantum GIS (Q-GIS) software and its applications. A team of three experts from the NIE GIS Foundation (Netra Institute) in New Delhi conducted the workshop, ensuring that students received comprehensive knowledge about Geo-Informatics.

Mr. RavindraNath Tiwari, the Head of the Geo-Informatics Department at Netra Institute, played a pivotal role in the workshop. He guided students through the utilization of Q-GIS and Bhuvan Geoportal, providing hands-on experience and practical insights into these powerful tools.

Key topics covered during the workshop included:

1. Understanding Quantum GIS (Q-GIS) software.
2. Utilizing Bhuvan Geoportal for geographical data.
3. Downloading topographic data for analysis.
4. Integrating special and non-special data effectively.
5. Technical aspects such as Geo-referencing.

Impact and Benefits:

The College Principal, Prof. Gyan Chand , addressed the attendees and highlighted the immense benefits of the workshop for geography students. He emphasized

how the knowledge and skills acquired during the workshop would greatly enhance the students' academic and career prospects.

Acknowledgments:

The successful organization of the workshop would not have been possible without the active contributions of the Geography Department, including Dr. Mamta Siddharth, Dr. Dalip Singh, Dr. Sunita, Sunita Devi, Dr. ShubhLata, Shweta, and Madhu. Their dedication and expertise played a crucial role in making the event a success.

Conclusion:

The "Geo-Informatics Technology Applications and Career Opportunities" workshop at Government Women's College, Narnaul, served as a valuable platform for students to acquire practical knowledge in the field of Geo-Informatics. The event's success, highlighted by the enthusiastic participation of students and experts, reaffirms the college's commitment to providing quality education and preparing students for promising careers in geography and related fields.

This workshop undoubtedly left a lasting impact on the students, equipping them with skills and knowledge that will serve them well in their academic pursuits and future careers.

Recommendations:

Based on the success of this workshop, it is recommended that similar events be organized in the future to continue a culture of academic exchange and research dissemination within our institution.

Overall, the two-day workshop was a resounding success, serving as a testament to the academic prowess and collaborative spirit of the faculty members. We look forward to more such enriching events in the future.
